Alex's Lemonade Stand Foundation (ALSF) emerged from the front yard lemonade stand of cancer patient Alexandra "Alex" Scott (1996-2004). In 2000, four-year-old Alex announced that she wanted to hold a lemonade stand to raise money to help find a cure for all children with cancer. Since Alex held that first stand, the Foundation bearing her name has evolved into a national fundraising movement, complete with thousands of supporters across the country carrying on her legacy of hope. To date, Alex's Lemonade Stand Foundation, a registered 501(c)3 charity, has raised millions of dollars toward fulfilling Alex's dream of finding a cure, funding hundreds of pediatric cancer research projects nationally. In addition, ALSF provides support to families affected by childhood cancer through programs such as Travel For Care and SuperSibs. For more information on ALSF visit AlexsLemonade.org.
