

2019 Augusta University Summer VolunTeen Program

**DREAM
BIG!**

This one-of-a-kind summer volunteer experience offers local high school students the opportunity to serve side-by-side with healthcare professionals while experiencing the daily activities involved in operating a world class academic medical center.

Our Summer VolunTeens also participate in weekly lunch and learn sessions featuring Augusta University's top leaders in career and professional development. This program offers both classroom and hands-on learning experiences that will be uniquely beneficial to those interested in pursuing future careers in health sciences fields or those who just want to learn while serving others.
